C.Y.O. CAMP BREBEUF

Like so many people, Camp Brebeuf in Rockwood has been affected by the pandemic and they need your help. Typically they see thousands of youth every month. Since March they have faced closures of most of their programs. Their normal day camp that usually welcomes 600 children was only able to hold 150 this past summer. They have been working hard to start up new, safe programs for our communities. Without the support of others though they may not make it to their 80th summer. For a list of ways to help please visit their website at www.campbrebeuf.ca. Since 1941 Camp Brebeuf has been making memories for children, youth and adults and would appreciate your support in any way possible!

HENRI NOUWEN SOCIETY DAILY MEDITATIONS

Baptism opens the door to the Eucharist. The Eucharist is the sacrament through which Jesus enters into an intimate, permanent communion with us. It is the sacrament of the table. It is the sacrament of food and drink. It is the sacrament of daily nurture. While baptism is a once-in-a-lifetime event, the Eucharist can be a monthly, weekly, or even daily occurrence. Jesus gave us the Eucharist as a constant memory of his life and death. Not a memory that simply makes us think of him but a memory that makes us members of his body. That is why Jesus on the evening before he died took bread saying, "This is my Body," and took the cup saying, "This is my Blood." By eating the Body and drinking the Blood of Christ, we become one with him.
