## **C.Y.O. CAMP BREBEUF**

Like so many people, Camp Brebeuf in Rockwood has been affected by the pandemic and they need your help. Typically they see thousands of youth every month. Since March they have faced closures of most of their programs. Their normal day camp that usually welcomes 600 children was only able to hold 150 this past summer. They have been working hard to start up new, safe programs for our communities. Without the support of others though they may not make it to their 80<sup>th</sup> summer. For a list of ways to help please visit their website at [www.campbrebeuf.ca](http://www.campbrebeuf.ca). Since 1941 Camp Brebeuf has been making memories for children, youth and adults and would appreciate your support in any way possible!

## **NATIONAL CATHOLIC HEALTH CARE WEEK**

October 4<sup>th</sup>-October 10<sup>th</sup> is National Catholic Health Care Week. This week recognizes the inspiring work of Catholic health care organizations in our Province and across Canada. At the heart of Catholic health care is a deep respect for the intrinsic value and dignity of every human being and an unwavering commitment to serving all people, from all backgrounds and faiths – especially society's most vulnerable. The COVID-19 pandemic has called us to reflect on the importance of human connection, quality of life, and the meaning of well-being – body, mind and spirit. We give thanks for the courageous gift of Catholic health care during these challenging times – in hospitals, community health centres, and senior care centres. For more information visit the [website](#) of the Catholic Health Alliance of Canada.
