David will be sharing with us his wisdom on the Church as a place of radical hospitality in a post-pandemic world.

Parenting Tip of the Month – Tip 143

When faith is important to parents they sometimes worry that their children may drift away from the faith, as they get older. But there is important research that tells us there are ways to help our children to stay connected: 1. Demonstrate a strong faith yourself; 2. Live out the Gospel values in all you do; 3. Read the Bible as a family (and adding discussions about what you read helps too!). It may seem too simplistic, but it can and does work. The reward for your children will be the confidence they feel in knowing that they have a God who is always with them, guiding all they do.

Marriage Tip of the Month – Tip 123

In October we celebrate Thanksgiving, a time to reflect on and be grateful for the bountiful harvest that provides us food for our journey and for the many other blessings in our lives. It is a perfect time to sit down as a couple and reflect on the “harvest” of your own marriage. What has fed you and helped you grow? What relationships have enriched your lives together? How have you grown as a couple? Are there things you need to do so that next year the “harvest” will be even more plentiful? When we are thankful for something we treat it with love and care and so it flourishes – try it and see!
