
Our Lady of
Immaculate Conception

O Mary, Immaculate Conception,
Mother of Jesus and my gentle Mother,
I come to you with confidence and trust.
You were preserved from all stain of sin,
so your heart remains completely open
to God's grace.
Please look upon me with your pure
and loving eyes.
Mary, conceived without sin,
pray for me and for those I love.
Cover my life with your protection.
Intercede for my healing, my peace,
and my needs today.
O Immaculate Mother,
help me walk in holiness, humility, and faith.
Lead me closer to Jesus, your Son,
and make my heart more like yours:
pure, trusting, and surrendered to God's will.
